WARDROBE KIT SOLUTIONS

one board

ONE BOARD WARDROBE SOLUTIONS

are an easy and cost-effective enhancement to any wardrobe space. With six stylish colours available in 18mm particleboard to choose from, you can create a look that is both modern and durable.

For a more affordable option there is also 16mm white particleboard available.

To ensure One Board Wardrobe Solutions has the complete package there are two heights available. Sized specifically at 2 meters for walk in robes and 1.75 meters for built in robes, there are varying widths as well as a range of accessories to ensure maximum storage while achieving a look that works for you.

Pearl finish has been selected as the standard finish with colour match 1mm ABS edging to help keep the wardrobe looking better for longer.

Built in Australia, One Board Wardrobe Solutions are covered by a 7 year limited warranty and are made to last.
